### 2012 Candidates for Judicial Retention

October 2011

1. Please estimate your workload during your present term.

- |                                       |   |
|---------------------------------------|---|
| a) <u>40</u> % civil cases            | b) <u>15</u> # of jury trials/year        |
| <u>50</u> % criminal cases            | <u>25</u> # of non-jury trials/year       |
| <u>10</u> % court administrative work | <u>5</u> # of administrative appeals/year |
| 100 % Total                           |   |

2. Please describe your participation on court/bar committees or other administrative activities during your current term of office.

Kenai Bar Association meetings; Kenai Bench-Bar Conferences; Judicial representative to Alaska Children's Justice Act Task Force; Criminal Pattern Jury Instructions Committee.

3. Please assess, in one or two paragraphs, your judicial performance during your present term. Appropriate areas of comment could include: satisfaction with your judicial role, specific contributions to the judiciary or the field of law, increases in legal knowledge and judicial skills, or other measures of judicial abilities that you believe to be important.

I have matured as a judge during the present term. I do not worry so much about 'controlling the courtroom' or establishing strict guidelines and procedures for attorneys. I am a much better listener and have strengthened my capacity for seeing beyond emotion, theatrics, and other distractions to find appropriate solutions to legal problems. I have developed a very positive outlook towards the criminal justice system. Most of the defendants in the communities I serve are not hopeless sociopaths. They tend to be addicts, young men with a few rough edges, and other folks who have made some bad choices. Most go on to live reasonably productive lives, and I think accountability enforced by the courts is the key aspect of the process. I am a reserve officer and have served twice in Iraq working with a damaged justice system. My experiences working with corrupt cops and judges who have to worry about being murdered for their decisions has strengthened my belief in the absolute necessity of an independent judiciary and a society governed by the rule of law.

4. During your most recent term as a judge, have you:
- a) had a tax lien filed or other collection procedure instituted against you by federal, state, or local authorities?  Yes  No
  - b) been involved in a non-judicial capacity in any legal proceeding whether as a party or otherwise?  Yes  No
  - c) engaged in the practice of law (other than as a judge)?  Yes  No
  - d) held office in any political party?  Yes  No
  - e) held any other local, state or federal office?  Yes  No
  - f) had any complaints, charges or grievances filed against you with the Alaska Commission on Judicial Conduct, the Alaska Bar Association, or with the Alaska Court System that resulted in public proceedings or sanctions?  Yes  No

5. If your answer to any of the questions above is "yes," please give full details, including dates, facts, case numbers and outcomes.

I am an officer (colonel) in the United States Air Force Reserve. I served as an instructor at the Air Force JAG school and served two tours in Iraq (2007-08 Military Justice Advisor with Iraqi Ministry of Defense; 2010-11 Director, Law and Order Task Force). I am now the Senior Reserve Judge Advocate for the 11th Air Force.

6. Please provide any other information which you believe would assist the Council in conducting its evaluations and in preparing its recommendations for the 2012 retention elections.

I have been the catalyst for bench-bar meetings on the Kenai. I have been a speaker at seminars involving children's issues. I have also spoken at schools and before civic groups on the Peninsula. I believe that courts need meaningful communication with the bar and community to be effective.

*For questions 7 through 10 please do not list any cases that have pending issues in your court.*

# Alaska Judicial Council Recommendation

## Judge Charles T. Huguelet, Superior Court, Kenai

### Judicial Council Recommendation 2012

The Alaska Judicial Council is a non-partisan citizens' commission established by the Alaska constitution. Alaskan law requires the Council to evaluate judges' performance and authorizes the Council to recommend to voters whether judges should be retained in office. The Judicial Council reviews judges' integrity, diligence, legal ability, fairness, demeanor, ability to manage their caseloads, and overall performance of their judicial responsibilities in and out of the courtroom. The Judicial Council finds Judge Huguelet to be **Qualified** and recommends unanimously that the public vote "YES" to retain him as a superior court judge.

### Judicial Council Evaluation

The Judicial Council surveyed thousands of Alaskans including peace and probation officers, court employees, attorneys, jurors, social workers and guardians ad litem about the judges on the ballot. Respondents were asked to rate judicial performance and to submit comments. The Council also reviewed the ratings and observations of the Alaska Judicial Observers, independent community-based volunteers. The Council reviewed the judge's peremptory challenge, recusals, and appellate affirmance and reversal rates; any civil or criminal litigation involving the judge; APOC and court system conflict-of-interest statements; any disciplinary files involving the judge; and whether a judge's pay was withheld for an untimely decision. The Council reviewed other court records and investigated judicial conduct in specific cases. The Council interviewed some judges, attorneys, and court staff, and held a statewide public hearing to obtain comments about judges.

Diligence	3.9	4.6	---	4.3	4.9
