

Alaska Judicial Council

Judicial Applicant Biographical Statement

Name: John Revis

Position(s): Nome Superior Court

Date: April 22, 2025

I was born and raised in Alaska. After graduating from Skyview High School in Soldotna, I enlisted in the US Coast Guard Reserve. I deployed to the Gulf Coast in 2010 during the Deepwater Horizon Oil Spill and spent eight months as a pollution investigator, traveling between locations across four states. I deployed again in 2014 to Afghanistan while attending college online. After my deployment, I completed my undergraduate degree and applied to law school at the University of Idaho. Upon graduation, I returned to Alaska and began practicing law as a public defender. My work there had a profound effect on my worldview and how the law is not black and white or one size fits all, as well as the necessity of a holistic approach and of therapeutic courts for rehabilitation.
