Position(s) for which you wish to be considered:

Palmer District Court

Date: 11/12/2024

I grew up in Juneau and graduated from Juneau Douglas High School. I served in the United States Marine Corps. I served as a motor transport operator where I led troops and provided vital support in critical locations. Following an Honorable Discharge I returned to Juneau to pursue a B.S. in Mathematics and graduating with honors. I then went on to earn a law degree from Oklahoma City University School of Law.

I opened my practice in the Mat-Su Valley in 2015. My focus is on my client's needs by mediating and negotiating when possible and litigating when required. I strive to serve the local community with empathy and dedication. Prioritizing their needs rather than my interests.

I am dedicated to the people in this community to ensure they get the fairness and justice they deserve. I would feel privileged to carry on fulfilling this role as a judge.
