

Biographical Statement

Name: Margaret O. Rogers

Position(s) for which you wish to be considered:

Alaska Supreme Court

Date: July 24, 2024

I grew up in Maryland and graduated from Georgetown University and Vermont Law School. I moved to Fairbanks after law school to work as a law clerk for the Superior Court. I learned about law, the court, and the people of Alaska during that time. It was that experience that led me to remain in Alaska to practice law and raise my children.

I have been in private practice in Fairbanks for the past 20 years. I practice primarily domestic relations and appear in front of the Superior Court on almost a daily basis. It has been extremely gratifying to represent so many Alaskans during my practice. I would be honored and privileged to serve as a Justice of the Alaska Supreme Court.

I have two teenage children, three dogs and a growing love of exotic birds. I enjoy exploring the outdoors, travel, and a good book.
