- IV. Further Review of 2024 Annual Report Draft**
Draft was circulated on 10/4.
Edits received after 10/1 were incorporated into the 10/4 draft. They include:
D. Mannheimer edits to Fig 2 and to the executive summary, update to victim navigator program, edits from the MHTA sent on 10/3, and Stephens edits sent on 10/2 email (attached for your information.).

V. Update on Domestic Violence Report

At the last meeting, we talked about performing additional analysis on charge dispositions (specifically, the persistence of the DV flag through charging and disposition, and comparisons of the charge(s) at filing versus the charge(s) at disposition). This analysis, while worthwhile, turns out to be more difficult than we had hoped due to the structure of the databases we are using. So we will not be able to give you the next iteration of the report for another few weeks.

VI. Set Future Meeting Dates/Times

We have an optional meeting set for October 21 if we need more time to finalize the annual report.
