Please indicate whether you participate in the organization's activities, or simply hold a membership. Your involvement in the community is one of the criteria the Council uses in its evaluations. The Council does not use affiliation with a particular group as a criterion except to the extent that it might raise questions of conflict of interest or would affect an applicant's ability to impartially apply the law.

I have served on the Board of Directors of the Anchorage Youth Court since 2009, as secretary (2010-11) and currently as adult chair. (Each office is shared by a student and an adult.) I am strongly committed to its mission. AYC trains students to serve as attorneys and judges in a parallel justice system that provides an alternative for young offenders and features a low recidivism rate and a chance for teens to avoid a criminal record. Like most non-profits, the Board's activities, besides overseeing the program, involve a lot of fund-raising and trying to heighten public awareness of the organization. The past year has been particularly challenging for us Board members because of the departure of AYC's long-time executive director and the sudden resignation of her immediate successor.

In 2009 I was elected to the Alaska Bar Association Board of Governors. We oversee attorney discipline, admissions, continuing legal education, and other aspects of the Bar's public mission. I am serving my second year as treasurer and also act as the discipline liaison, which means that I review decisions of Bar Counsel as to whether attorney grievances should be pursued.

I am also a long-time member of the Nordic Ski Association and the Arctic Bike Club, but only as a supporter and race participant.

17. Indicate (Yes or No) whether you have ever:
- (a) been arrested, charged with, pled guilty or *nolo contendere* to, or been convicted of the violation of any law or ordinance, or been requested to appear before any prosecuting or investigative agency in connection with any matter in any jurisdiction, including all traffic offenses, unless the fine was less than \$50 and there were no other sanctions?

Additional Comments (Non-Confidential)

23. Please make any additional comments that you wish to bring to the Council's attention about your experience and suitability for this judgeship.

Two aspects of my career that especially suit me for the Supreme Court are the diversity of my client base and the breadth of my appellate practice. I have represented oil companies and gold miners, consumer classes, the Alaska Court System, non-profits, public employee unions, and many small businesses and individuals. My appeal work just over the past few years has involved, among other things, domestic violence orders, partnership disputes, bank lending practices, workers' compensation, spoliation of evidence, the Wage and Hour Act, and many subsidiary issues of evidence and procedure. I am gratified when colleagues call me for appellate advice (and even more gratified when I can give it) and am honored when I'm asked to pursue an appeal in a case that another lawyer tried below.

A significant part of my practice has been insurance defense. One aspect of this work that sets it apart from others is the dual nature of the representation. On the one hand, I'm working with claims professionals who deal with litigation for a living and can be very objective about its costs and risks. On the other hand, my clients are often homeowners or business people who have never been sued before,

Additional Comments (Continued)

are apprehensive about the process, and more than anything need assurance that their case is in competent hands and that the system works. Guiding the layperson through the process to a just (if not always happy) conclusion, and explaining why it happened the way it did so that the client can live with the result, is a fundamental part of every general civil practice, and it is an experience that I would remember on the bench.

In 2006, the Alaska Bar Association gave me the Board of Governors Professionalism Award, which purports to recognize "exemplary conduct in [my] association with the public, [my] colleagues and the legal community." I don't know what criteria, if any, exist for the award, but I hope that it reflects the notion that quite a few of my fellow lawyers have faith in my integrity, judgment, and commitment to the respectability of the profession. I have also been named as a "Best Lawyer" and "Super Lawyer" in several peer-selected lists published by different ranking organizations, which (I think) means that other lawyers feel comfortable referring their clients to me.

Finally, while I am not under any illusion that Supreme Court Justices have the luxury of sitting in their offices and writing clever things all day (not to say that they couldn't if they had the time), writing has always been one of my joys. I get great satisfaction from a well-researched and well-written pleading; particularly if, as an added bonus, my client's position is a strong one. I hope that on the Supreme Court I could convey a sense of a just result in readable form.

24. Please indicate whether you prefer to be interviewed in public session or in private session. Your choice of a public or private interview has no bearing on the Council's determination of your qualifications or on the questions the Council may ask. You may change your request in writing at any time before the interview starts.

Biographical Statement

Name Peter J. Maassen

Position(s) for which you wish to be considered:

Alaska Supreme Court Justice

Please leave this area blank

Date: January 25, 2012

I was raised in Michigan, the son of a minister and a music teacher. I was educated at Hope College and the University of Michigan Law School and came to Alaska in 1980 with my wife, Kay Gouwens, who is also a lawyer (though our professional paths rarely cross). I've been in private practice most of my career. I've represented individuals, businesses, public entities, classes of consumers and public pensioners, and non-profits. I am more likely to be drafting briefs or motions than picking a jury, though I've done that too. I serve on the Alaska Bar Association's Board of Governors and am co-chair of the Anchorage Youth Court Board of Directors. I'm a skier and a biker and the proud father of a college student. My only marketable skills, however, are writing and legal analysis, which I am eager to put to use in public service.
