**Name:** Chris Darnall

**Position(s) for which you wish to be considered:**

Palmer District Court

**Date:** 26 April 2024

I was born in Fairbanks and lived in North Pole. I moved to Anchorage in 8th grade where I attended Wendler Middle School and the Betty Davis East Anchorage High School.

After high-school I joined the Alaska Air National Guard where I maintained computers and loaded planes while attending UAA. At UAA I earned my degree in Biology and a minor in Spanish. I worked as a lab assistant and as a nurse's assistant at the Alaska Psychiatric Institute before moving across the country to Buffalo, New York, where I earned my law degree.

I returned to Alaska and immediately began my state service by working for the court system. I followed clerking by moving to the Anchorage District Attorney's Office before transitioning to the Office of Special Prosecutions, where I prosecute Cybercrime statewide.

I would be honored to continue my state service as a District Court Judge in Palmer.
