Position(s) for which you wish to be considered:

Palmer District Court

Date: 04/25/ 2024

I was raised in rural northwestern Pennsylvania. After attending Penn State University, I relocated to Tallahassee, Florida so that I could pursue my legal education. I graduated magna cum laude in 2015 from Florida State University College of Law.

My first legal position was as a staff attorney with Alaska Legal Services. Desiring courtroom experience, I accepted a position as an assistant district attorney at the Palmer District Attorney's Office, where I served for nearly five years. For the past two years, I have served as an Assistant United States Attorney at the U.S Attorney's Office for the District of Alaska representing the United States' interest in a variety of civil matters.

My family and I reside in Palmer, enjoying the numerous activities available in the community. I have served as a dedicated public servant in Alaska and I would be honored to continue doing so as a judge.
