

Alaska Judicial Council

Judicial Applicant Biographical Statement

Name: Loren Patrick Hildebrandt

Position(s): Anchorage Superior Court

Date: February 5, 2026

My father's naval service brought my family to Anchorage when I was two. I grew up in the shadow of majestic peaks in the Eagle River Valley and graduated from Chugiak High School. I spent ten years away furthering my education but lived in Alaska each summer and always planned to settle here.

I returned to Alaska with my wife to accept a clerkship after completing law school in 2009. I became a proud father to two children during four years of private practice. My family and I enjoy exploring our beautiful state.

I joined the Alaska Court System in 2014 to manage a statewide program that helps self-represented parties resolve family law cases. I became a Magistrate Judge in 2024 and strive to preside with patience, diligence, and profound respect for the people I serve. I welcome the opportunity to further serve the community as a Superior Court Judge.
